Happy Black History Month

Tax Time Part2 / What you gona DO?

Tax Season is Here- What are you going to do with your refund?

A: Give it away to:

- 1) Credit Card Debt?***
- 2) Loan Debt?***
- 3) Baby Mama Debt?***
- 4) Bills?***
- 5) Buy something? -TV -Car- etc.***
- 6) Get Caught up on Bills you behind on?***

B: Stop Struggling and living check to check?

Average Refund is \$1000-\$10,000

Why not put together a plan to get rich and stop being broke!!

- 1) Starter Emergency Fund -\$100-500***
- 2) Eliminate Debt Plan***

A) Don't Give away ALL your Money- You Call the Shots

You need to win financially with your money

- B) *If you have debts – Make a list and only settle accounts you defaulted on the last 2 years*
- C) *Offer only what you can afford -because you want to stop struggling – like 10-30% on the dollar*
Example: you owe \$1000 credit card debt only offer to pay \$ 100 - \$300 – Why? Cause you want to stop losing financially –
If you have Maxed out Credit cards Pay on them every week to beat the interest -Don't pay them off with your refund because you want to stop being broke
If you really want to “Win-Win” Pay on them every day – this requires discipline
- D) *Budget!!*
Most People Spend more time on a grocery list than their Bills.
You need to see EVERY DOLLAR you spend and why you broke every week/ Month and stop it!!!
- E) *Increase your Income with side hustle or business*
Work myecon business or your own business /uber/lyft/ etc. but when you make the money don't give it away – it needs to change your life!! AMEN!!

Stocks/ Investments

The President is passing tariffs on other countries which is driving the stock market down.

What does this mean?

*It means stocks will **be on sale for a while**- but when he lifts the tariffs, they will shoot up sky high – **so buy low and sell high.***

The stock market is on a down turn. So that means stocks are on sale. So be careful in the market when you buy. I would suggest get in and out of stocks because of volatility.

If you want an easy sock to buy, get FAGIX with Fidelity account.

The stocks I buy are around a \$1 because the stock exchange have a rule if you don't get to \$1 in 6 months to 1yr they kick you out.

So, if you buy a stock under \$1 you have a good chance it will go up.

The stocks I have bought and are watching are:

Stock Date 2-2-25

AMC- \$3.10

TNXP - .43

DGLY .22

ATIP \$1.04

SAVEQ- .60 Spirit Airlines

Debt Elimination is the best ROR because if you paid off Credit Card Debt and Loan Debt at 10-30 %

You save 10-30% it is Guaranteed ROR. So, paying down debt is the best investment right now because the market is so weird.

We are in a new year!! Don't give up and keep fighting and stay focus!!

You CAN DO THIS!!!

Continue to Fast and Pray and work hard and you will win in Jesus Name AMEN!!!
